EXPERIENCE

Associate Relationship Manager - @UAB Bank - From (June / 2024) To (Present)

Supported front-line Relationship Managers in handling new and renewal loan applications within the Corporate Banking Department. Prepared comprehensive loan credit applications by gathering and analyzing detailed business information from clients. Engaged directly with customers to understand their business operations and financial needs, ensuring all necessary documentation was collected for loan processing. Coordinated effectively with the Head of the Corporate Department and collaborated with the Credit Management Department to facilitate smooth loan approvals and maintain strong client relationships

Operation Executive - @AYA SOMPO Insurance - From (December / 2023) To (April / 2024)

As a Business Executive, I actively sought new partnerships and individual customers, focusing on companies and individuals interested in health-related services. In my role within the car insurance sector, I engaged with a diverse range of customers, explaining the pros and cons of our car insurance policies. I effectively applied my negotiation skills to drive customer satisfaction and build strong relationships. After three months in the Business Executive role, I was promoted to Operations Executive, where I took on the overseeing operational process of our customers. In this capacity, I managed the car insurance for clients who opted for our insurance policies, ensuring seamless service.

Marketing Assistant - @Myanmar Golden Rock Company Ltd - From (December / 2023) To (April / 2024)

Consistently surpassed monthly targets by 20% over three consecutive months through meticulous appointment scheduling, seamless call coordination, and effective meeting management. This achievement reflects a proactive, results-oriented approach that enhanced operational efficiency, fostered strong client relationships, and contributed to sustained success.

Digital Marketing Specialist - @Myanmar Ivy College of Business and Technology - From (December / 2023) To (April / 2024)

As a Digital Marketing Specialist, I achieved a 50% increase in student intake through compelling marketing campaigns that created a lasting brand impact. By leveraging a strategic approach, I not only attracted new students but also strengthened the institution's brand presence, setting the foundation for sustained growth. Additionally, I excelled in delivering exceptional customer service and support, ensuring a seamless experience for students and stakeholders alike.

Customer Service and Student Relation - @Myanmar Institute of Finance - From (December / 2023) To (April / 2024)

Boosted brand awareness and improved student onboarding efficiency by 20% through the implementation of strategic content creation, targeted marketing campaigns, and optimized workflows. Successfully managed promotional materials and streamlined payment processes, ensuring a seamless experience that enhanced engagement and operational efficiency.

Sales and Marketing Associate - @BIM Training and Advanced Technology Services - From (December / 2023) To (April / 2024)

Event Management Expert & Student Support Prodigy: Skillfully orchestrated BIM Day 2018, streamlining and optimizing student processes to ensure seamless operations. Demonstrated exceptional leadership, adaptability, and initiative across diverse and multifaceted roles, contributing to the event's overall success.
